

WEDDINGS AT  
*The Historic Saint Martin's Church*

Tradition is part of what we offer for your perfect wedding. Our historic site is truly one of a kind. The restored 18th century Flemish bond brick church and surrounding grounds, which are available for tented receptions, only add to the magic of your special day.

On Maryland's Eastern Shore, we offer your guests recreational and outdoor activities with the ocean and coastal bays, boutique shopping, antique shops, art galleries, and historic and the arts and entertainment districts.

## CEREMONY PACKAGE
