The Board of Directors of the Historic St. Martin's Church Museum Foundation proudly accepted the generous donation from Board Member JD Quillin on behalf of The E. Bowen & Frances Hyde Quillin Foundation, Inc.

This donation is earmarked to provide funding for the Building & Development of the future outbuildings that include comfort stations and an interpretive space visitor building.

The buildings are in the design phases guided by award-winning Architect David Quillin, AIA. The 18<sup>th</sup> Century rendition Privies and Outbuildings project is under the direction of Dr. Mike Olmert, Sherrie Beckstead, Laura Jenkins, Dr. Ray Thompson, Edward Phillips and Sidney Beckstead.

The second phase of the architectural plan will be unveiled in late December.
